

AURA

LEGS: Solid oak legs.

FRAME: Solid timber frame with No-sag springs for enduring support and comfort.

CUSHIONS: Back cushions and top seat cushions are filled with a 50/50 mix of Feather & Fibre engineered for sink-in comfort whilst maintaining shape. Base seat cushion provides support with high-density foam core and fibre overlay.

COVERS: 100% Belgian linen covers are fully removable and machine washable at 30 degrees, do not tumble dry, line dried only. Covers have been pre-washed to avoid shrinkage.

PRODUCT CARE:

- Cushions should be regularly plumped to maintain shape.
- A light weekly vacuum will prevent build up in the fibres and protect against marks. Use an appropriate furniture brush attachment with your vacuum cleaner.
- Do not use cleaners or cleaning agents that are abrasive, caustic or acidic.
- For indoor use only.
- Pure linen fabrics can be light sensitive, especially dark colours. Ensure location of sofa is not in direct or reflected sunlight through windows or skylights in order to avoid fading.

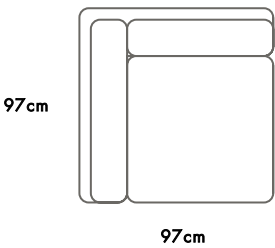

FABRIC PROTECTION:

- A professionally applied fabric sealer will protect fabric from soiling.
- Do not saturate fabric, rather apply a couple of light coats of sealer.
- Treat spills and stains immediately with a damp cloth.
- Do not bleach, or tumble dry.
- Incorrect application of sealers and/or cleaners or allowing insufficient drying time voids the warranty.

DIMENSIONS: Please note all dimensions are approximate. Allow up to an additional 5cm in total for cushions overhang.
